Board agreed to a high-level presentation that would be short to hold the attention of the members. Voting will be done at the beginning of the meeting to allow time for the Board to count ballots. Ballots submitted by mail will be tallied before the meeting. Joe will lead the presentation. Sue will review new website, and Cindy will go over financials. Attorney will attend. Packet distributed to members contains all of the essentials on the agenda, budget, ballots, etc. Second PowerPoint with pictures from the check dam work will be shown on a loop at the meeting.
